

## From the Principal

Hi Everyone. If I haven't met you yet, my name is Dave Hartley and I am PSPC's new Principal. Thank you to our outgoing Principal Donna Gosling for the smooth transition and graciously handing the school over during week one of this term. Thank you also to our community, staff and students that have already made me feel very welcomed over the past two weeks.

I am an Aboriginal man on my father's side and my clan group are the Barunggam people of Chinchilla on the Darling Downs, about 4.5 hours west of Brisbane. I am married to Helen and I have two beautiful daughters, Kirra and Jaya. I also have two cheeky dogs named Frankie and Luna.

For the last two years, I have been the Assistant Director-General for State Schools Indigenous Education. This was a cultural responsibility that I was privileged to lead and I am proud of the work that my team implemented across our state. Prior to this, I was the Principal at Bellevue Park State School. I am extremely passionate about seeing all kids succeed and I will continue to bring this passion into my work at PSPC.

In the near future, I'll be running community consultation around the re-visioning of our school. The last six years have been full of growth at PSPC, however I am interested to have a conversation with our community about what we want PSPC to become over the next six years.

Parent involvement is important to me and if we want PSPC to become the best school on the Gold Coast, I need your help. Instead of posting negative comments regarding our school on social media, come and see the school and discuss your concerns. Once we understand your perspective and individual issues, we can work with you and our team to improve the situation. Thank you to the parents that we've already spoken with this year. Because of your feedback, we are already starting to make some positive changes.

We're opening the gates in the afternoon much earlier! Have you noticed? This week we have sent out a map of parent waiting zones. Please respect our learning times by waiting patiently in your designated area until the 3:00pm music begins. Maximising learning times is important for our students and their teachers – we appreciate your understanding and help with this.

Thank you to our students, parents and teachers that have all been impacted by class changes. Your patience and understanding is appreciated. Queensland State Schools are resourced based on the number of enrolled students at the end of the first eight days of school. Our day eight count was 812 students. We began this week with 34 classes, dropping from 37. This was due to many of our students and families enrolling at Gainsborough State School, given that they are in this school's catchment. I have a great relationship with their Principal Mr McCann and I look forward to PSPC versus Gainsborough in sport this year and giving them a touch up. 😊

Speaking of sport, we are in the middle of organising some exciting new opportunities for our students. Only students with improved attendance and great behaviour will be invited to play. More details around this will be sent out soon. In the meantime, **please ensure that your child is at school every day.** Be kind and be excellent,

### Every day counts

**AVERAGE ATTENDANCE  
FOR 2021: 91.2%**

#### Attendance Week 2

Our current attendance rates (school targets 95%)

Prep	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
90.3%	93.2%	91.6%	90.7%	90.6%	91.2%	93.2%

With the continued enrolment growth there is increasing pressure on the carpark. Student safety is everyone's business. Please respect the conditions of the **Drop and Go Zone** by not leaving your vehicle unattended in this area and only parking for the designated 2min timeframe. Alternatively delay pick up until 3.15pm and avoid the long queues.

The **Dental Van** is again looking to support our families for FREE dental check ups. Though the dental van will be in the school till end of Term 1 2020 we are encouraging all families to take up this service asap. Parents need to ring 1300 300 850 and arrange a time they can attend with their child/ren.

If families need to raise an issue with the school, the first point of contact is the classroom teacher. Please email them to make an appointment. Teachers will respond within 24 hours to make an appointment. If after interaction with the teacher and you are not satisfied, contact the sector deputy by email and we will get in touch with you.

## Teaching & Learning

This year, we are continuing our commitment to Accelerating Achievement in Reading and Writing through Targeted Teaching. While our students have improved overall in the levels of achievement (A-E) against the Australian Curriculum, we know that each student deserves the opportunity to achieve success from their starting point.

To support our work to accelerate student achievement, we welcome a new team member, Allison Rudd, as our Head of Department—Curriculum. Allison comes to us from Benowa State School and she has a wealth of experience in building teacher capability to meet student needs.

This week, teachers have been closely looking at the assessment they will use this term to assess student learning accurately.

## PBL Focus

This week the PBL focus has been on following routines and transitions around the school. Routines and transitions are important as they set a standard to adhere too and give our students a day to day structure.

Next week the PBL focus is to resolve conflict peacefully. Peaceful conflict resolution ensures all parties are respectful and safe. The 5 Finger Rule for conflict resolution: ignore, move, explain, stop and report gives all students an easy to remember and effective support strategy.

This year we have some exciting changes taking place with our Positive Reinforcement System; Step Ups. All students receive Step Ups when they demonstrate our School Wide Behaviour Expectations. This year we will move into a tiered system rewarding students for every 10 Step Ups they receive. Below is the new reward system for 2021:

*At 10 Step Ups, students will receive a bronze certificate from their classroom teacher.*

*At 20 Step Ups, students will receive a silver certificate from their classroom teacher.*

*At 30 Step Ups, students will receive a gold certificate from their classroom teacher.*

*At 40 Step Ups, students will receive a bronze coupon from the new Step Up Shop. These coupons have been developed based on suggestions from students and include things such as using the teachers chair for a day or borrowing sports equipment during play.*

*At 50 Step Ups, students will receive a silver coupon from the Step Up Shop. These coupons include such items as wearing jeans to school for a day or VIP parking for their bike or scooter.*

*At 60 Step Ups, students will receive a gold coupon from the Step Up Shop. These coupons include such items as wearing free dress to school, VIP seating on assembly or dressing your teacher up in fancy dress.*

*At 70 Step Ups, students can spend 30 minutes in the junior or senior playrooms.*

*At 80 Step Ups, student will again visit the Step Up Shop to pick from a selection of items to keep. These items, which have been suggested by students, include things such as books, stationery, slime or putty.*

*At 90 Step Ups, students will watch a movie in their PJ's in the hall with snack food.*

*Finally, at 100 Step Ups, students will participate in a Rewards Day session and Principal's lunch.*

If you are just wanting to volunteer for events this year please also email us and we'll add you to a volunteer messenger group. We will be holding a School Banking Information Session at our school:

Dear Parents/Carers,

It can be difficult to know where to go for help if your child needs support in the areas of social emotional wellbeing, mental health and behaviour. If your child is showing difficulties in these areas at home or at school, there are a number of good quality services available in the local area. The following information has been compiled by our school's Guidance Officer and is a snapshot of some of the services commonly used by families. Many of these options are free or low cost and all prefer parents to get in touch with them directly. Where possible, scanned copies of brochures have been included for further information.
